"...amongst the top 3% of primary schools in the country!"

From a letter received from Rt Hon Nick Gibb MP; based on pupil progress in reading, writing and maths from the end of Year 2 to the end of Year 6.

St Christopher's Hospice Lent Appeal: £8,442

Our Lent appeal for **St Christopher's Hospice** has raised a record-breaking amount—thank you! There were hundreds of individual contributions from current and past pupils, staff and governors, friends and family around the world and even celebrities (**Katie Melua**—thankyou!). Every contribution is greatly appreciated and will make a difference to the care and support of people receiving end-of-life care. Some contributors are worth a special mention for the sheer effort they have put in; these include **Jojo** (Y6), **William** (Y3), **King** (Y2), **Asa** (N) and **Mrs Orlandini,** who has clocked up an amazing 316 miles (that's further than Newcastle) in 40 days! This is the most we have ever raised in any appeal!

It is great that we have been able to reach the end of this term with all classes up and running as they should be. Everyone has been through a challenging 12 months and although we are not 'out of the woods', we can certainly see the green shoots of spring and the promise of happy days to come.

Please ensure you read the letters than have been emailed this week, regarding contact tracing over the holidays and the 'Life to the Full' programme that will be taught in the summer term.

Remember to follow the local and national rules as restrictions are eased; we hope to reflect this by creating year-group bubbles across the school next term (but this is dependent ion the transmission figures remaining low).

Wishing you all a very happy and Holy Easter.

Have a good break!
