## International Day

Today we celebrated cultures from all over the world. See the photos on the last page. Thanks Miss Bower and FOSTAS for organising this.

## Netball

Our Year 5 netball team attended a tournament at Bishop Thomas Grant School on Thursday this week. There were seven schools competing

and St Anthony's came second—even though it was the first time these pupils had played together as a team! Thanks Miss Malherbe for taking the team.

## STEM

One of our dads, Richard (Ethan Y1, Ava Y5) came to talk to St Therese about electricity. They experimented with bulbs, batteries and wires and also looked at signalling for trains (Richard is an engineer for London Underground).

## Safeguarding

Year 6 were visited by our local police team (East Dulwich ward) to talk about staying safe over the holiday and when starting secondary school. You already know PCSO Simon, now we also have two PCs on the team.

## Sports Days

We had three very successful sports days this week (in school, at Dulwich College and at Allyn's School). The children participated

in a range of exciting activities. It was expertly organised by Darnell and the team of sports coaches we have in school.
