### London Youth Games

We are very proud of our Gymnastics Team who represented Southwark at the London Youth Games this week. You will remember that last week they became Southwark Champions. Although no trophies this week we still think they are the best.

## Down on the farm

Reception children visited Vauxhall City Farm this week where they came face to face with goats, sheep and chickens.

## Daily Mile

Today we launched The daily Mile in St Anthony's. From now on pupils and staff will build up to jogging around the playground for 15 minutes 2-3 times per week. Correct footwear is essential so please ensure your child has trainers/PE shoes to change into.

Southwark council has pledged that all schools in the borough participate in this strategy. At St Anthony's we are only too happy to be part of it to help children maintain and develop their physical and mental health.

## Instrument Tuition

We are fortunate to have several visiting music teachers who offer music tuition. Lessons are during the school day and children can learn piano, violin, recorder, guitar, brass and music theory. With our Year 6 children about to move on, there will be places available from September. If your child would like additional music lessons, the contact details for the teachers are at the school office.

## ¡Mi gusta mucho!

Pupils in Year 4 are learning about Spain this term. This week they sampled some authentic flavours as they made paella under the supervision of our very own Señora Aida Yanez.

## Dr Bike

Dr Bike (bike repair) will be in school Wednesday 17th July. More details next week.
