"...amongst the top 3% of primary schools in the country!"

From a letter received from Rt Hon Nick Gibb MP; based on pupil progress in reading, writing and maths from the end of Year 2 to the end of Year 6.

School Closure

Following the Government's instruction for schools to close, most children will be receiving work to complete remotely. Teachers will email work for children every morning during term-time. In addition, families will receive regular updates from the school leadership team.

Parents can email year groups for clarity on the learning by emailing classname@stanthonys.southwark.sch.uk (e.g. St Paul Class is stpaul@stanthonys.southwark.sch.uk).

Children have been issued with a work pack to be used for home learning. Please follow the daily directions so that children remain 'on the same page'.

Routine is important for young people so we suggest parents devise a timetable for children that will give structure to their day. Remember to include 'playtime' and 'hometime'.

Thank you so much for your kind words, cooperation and understanding during these uncertain times. Take care and keep a positive outlook. Phone and text loved ones regularly and please be assured of our prayers.

We are the champions!

This photo was taken last Friday at a football tournament at Allyn's School. A team of Year 6 boys represented St Anthony's. There were nine schools there in total but our team was not daunted as they played up and played the game to become overall **champions!**

Dear God,
At this time we are thinking of all the people that are suffering from the corona virus. We put our thought around the nurses, doctors, ambulance services and shop assistants as they put others before themselves.
Amen

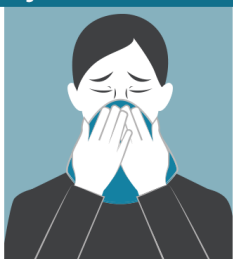

Thanks Manon
