**HAPPY ST JOSEPH'S DAY!**

**"...amongst the top 3% of primary schools in the country!"**

From a letter received from Rt Hon Nick Gibb MP; based on pupil progress in reading, writing and maths from the end of Year 2 to the end of Year 6.

The children are continuing to make a good return to school life and staff have been very conscious that some children will make the transition more quickly than others. Having breaks evenly spaced throughout the day (3x20 mins) has certainly been helpful (and is currently still an essential Covid safety measure).

Tomorrow is officially the first day of spring, and even though the weather may not always feel spring-like, there are plenty of signs that we are leaving winter behind and moving to longer, warmer days. Children are now having at least one outdoor PE session per week and we have resumed the Daily Mile (walk/jog) up to three times per week.

This weekend is the **National Census**, remember to complete your form online (you are legally obliged to) <https://census.gov.uk>. If you would like help or Advice, this is offered by all local authorities <https://census.gov.uk/en/find-a-support-centre/>.

Although there is still some way to go with the easing of restrictions, hopefully you will be able to get out and about this weekend and enjoy the (slightly) warmer weather that is forecast.

*Have a good weekend!*

## Food vouchers

Southwark will be funding food vouchers for those who require them over the Easter holiday. Please request vouchers, if applicable, by using the form on Parentmail.

## Start and end of the day

Thank you for queueing correctly and at the correct time, this has made the start and end of day very smooth and safe. Children have ten minutes from their allocated 'gate time' to the marking of the register, so punctuality is very important.

## St Christopher's More than just a hospice

### Lent Appeal: **£6575** so far!

Thank you all so much for your continued support for our Lent Appeal. As a school, we have pledged this Lent to support **St Christopher's Hospice** in Sydenham. You may be interested to read that one of our school governors, Hilary Jarvis, has been a ward volunteer at the hospice for the past few years, as well as helping out at fund-raising concerts (pre-Covid, of course). Many other staff and governors have also offered their support for this cause. The hospice is very grateful for everyone's involvement—keep going!
