He is risen. Alleluia!

Earth Day

"...amongst the top 3% of primary schools in the country!"

From a letter received from Rt Hon Nick Gibb MP; based on pupil progress in reading, writing and maths from the end of Year 2 to the end of Year 6.

The children returned for the summer term well rested and ready to learn. This term has its own special identity because so much more learning can take place outdoors and we are looking forward to planning exciting trips and outdoor opportunities over the coming months. Teachers have been busy preparing curriculum information with specific details for your child's year group and this will be emailed out today.

Today is Earth Day, an international event to support environmental protection. At school, we encourage everyone to be mindful of their impact on the planet (recycling, reusing, turning off lights, etc). Perhaps you can find more ways at home.

Have a good weekend!

Congratulations to our new head and deputy girls and boys: Keziah (HG), Seren (DHG), Francesco (DHB) and Harry (HB). We would like to thank Isla, Trinity, Filippo and Cian for setting such a high standard last term.

Coffee Morning and Uniform Sale

Join us for a coffee morning next **Wednesday (27 April) at 09:00**, when the theme will be supporting children with different needs. This is an ideal opportunity for all parents to talk about their own children's experiences, find out about the range of support available in school, and hear ideas for how to help at home.

Good quality second hand summer uniform will be available in exchange for a small contribution to provide personalised sweatshirts for our Year 6 leavers this summer. Take this opportunity to stock-up on polo-shirts, dresses and spare kit!

MIZEN FOUNDATION

Thanks everyone who has given to the Mizen Foundation this Lent. So far we have raised **£1063.50**. We have decided to keep the **justgiving** page open a little while longer and we encourage you to make a donation, however small, if you have not yet done so.
